4 - Random Disconnected Areas

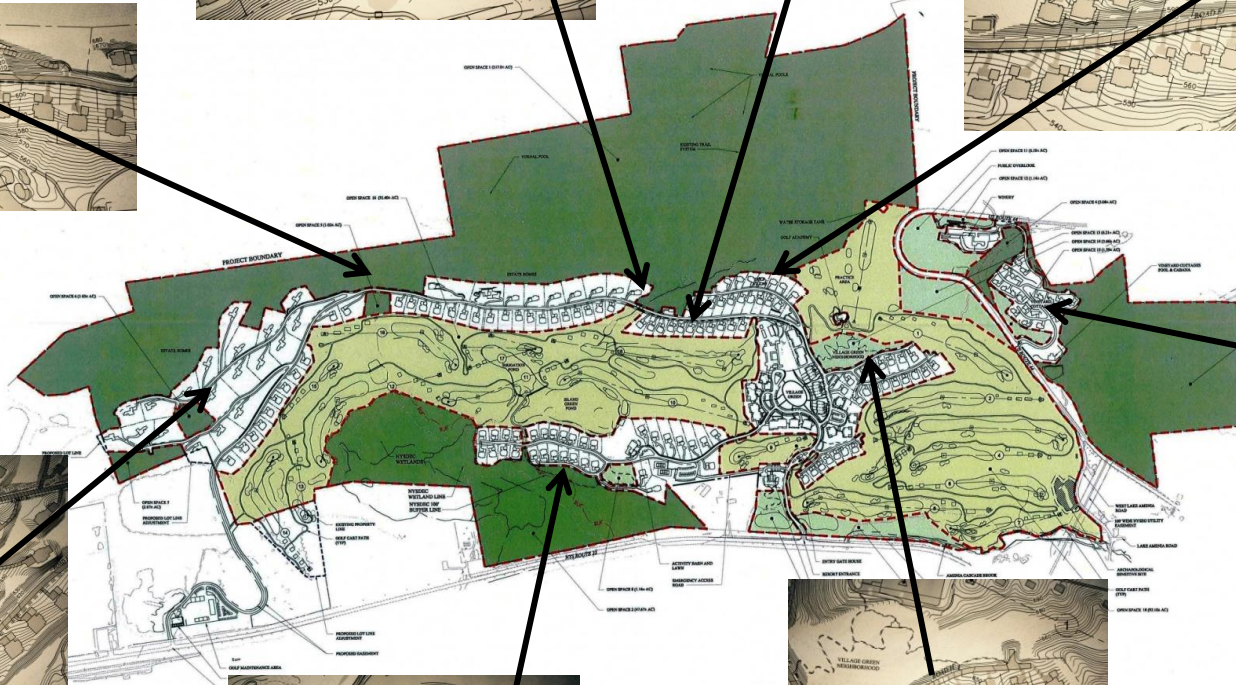

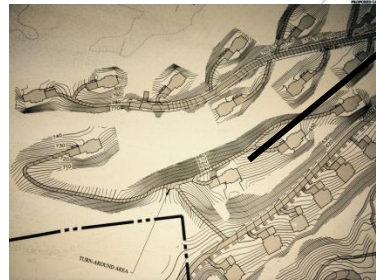

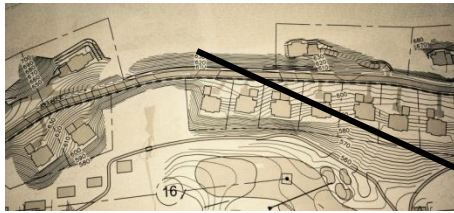

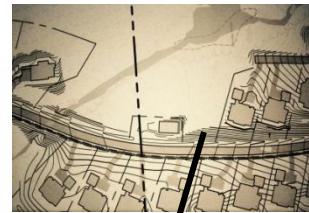

Eliminated random disconnected areas of Open Space

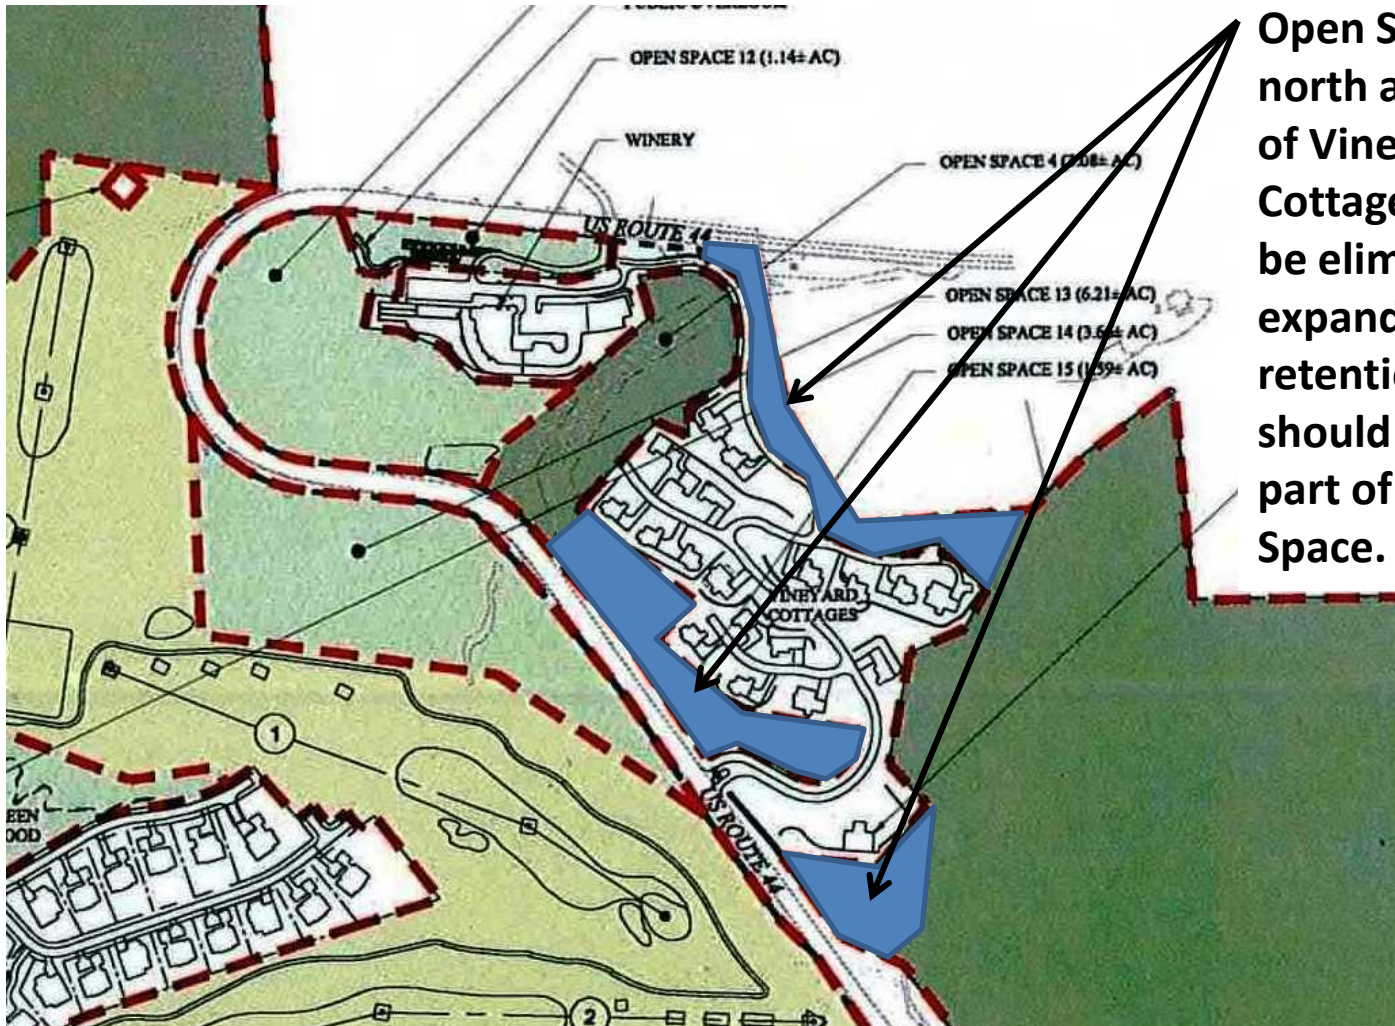

5 - Random Disconnected Areas

Ideally the Open Space should have nice straight lines as boundaries

7 - Vineyard Cottages

Open Space to north and south of Vineyard Cottages should be eliminated or expanded; retention pond should not be part of Open Space.

8 - Expand the Natural Woodland Wetlands OS

Ideally, from DLC's perspective as a land conservation organization, expand open space in these areas to make up for random open space areas.
